NORTHSTAR PROMOTES SAFETY - DRIVE SAFELY

'Tis the season for slick roads, weary travelers, stressed shoppers, and hyper children. One distracted driver, misjudging the black ice on a road, and not having your brakes in tip-top shape could all play part in a Holiday Disaster! Don't let it be you!

Have your car inspected if you've noticed any noises or had any concerns at all about the safety of your brakes, pads or rotors. Slipping and sliding is only fun when it's on a sled, not through traffic.

NORTHSTAR does everything it can to promote safe driving with its STOP TEXTING magnets. Please remember that texts, phone calls, emails, social media and other mobile apps can all take a backseat to your safety.

Please stay safe this holiday season. NORTHSTAR can't wait to see you in the New Year and enjoy another great year with our valued customers, vendors, friends and family.

Want a Stop Texting car magnet? Email me and we'll send you one!

The roads are going to be icy this year. You may have noticed that we've had snow and sleet followed by seemingly tropical breezes and then plummeting temps. Perfect conditions for black ice.

NORTHSTAR's Staff Members

Frank Kappine Technician

Frank is the newest technician for NORTHSTAR. He has a background as an apprentice electrician working for residential customers.

We believe that Frank can take a step up by working with high level customers and moving into the commercial industry of the electrical community.

EASY OREO TRUFFLES

I promised a recipe to someone, and this one had the words "easy" and "truffle" and contained Oreos. You can't go wrong!

Ingredients:

- 1 (16 oz) Oreo package with cookies divided
- 1 (8oz) package of softened creamed cheese
- 2 (8oz) packages of semi-sweet backing chocolate that's been melted

Directions:

- 1—Crush 9 of the cookies to fine crumbs in food processor (or in plastic bag with rolling pin); reserve for later use.
- 2—Crush remaining 36 cookies to fine crumbs; place in medium bowl.
- 3—Add cream cheese; mix until well blended.
- 4—Roll cookie mixture into 42 balls, about 1-inch diameter.
- 5—Dip balls in semi-sweet melted chocolate; place on wax paper-covered baking sheet. Sprinkle with reserved cookie crumbs.
- 6—Refrigerate until firm, about 1 hour. Store leftover truffles covered (if there are any!), in refrigerator.

Enjoy and please let me know if this is any good. It sounds amazing! The recipe is from [here](#).

Give Me Two Steps - Panels for Coolers

We recently began the first step to a large scale multi-location project that is going on across the country for a major retailer. The project is to install new refrigerators and freezers into each location, however, this requires running new cabling and data wires for interconnection to the EMS system.

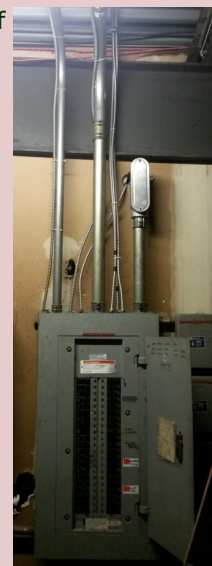

Each location will require a two part process with the install of the cable to be set first, and then the second trip will be for the final install

of the power poles, breakers and labeling of the panel. Some of these locations will require a subpanel to provide additional breaker space for the new equipment. Each location will also require a permit to be pulled as this is an electrical alteration to the building.

There were 12 locations that NORTHSTAR has been asked to complete in the Pennsylvania and Delaware area.

If you have a project like this, please give us a call. We'd be happy to help facilitate your next project. 610-539-2200

WIN \$200

American Express Gift Card!

Give us a review on Google and we will enter you in our drawing for a \$200 American Express gift card!

Any review on Google will qualify you. Just be sure to let us know you reviewed us, the name used and the date submitted.

You can easily link to the Google page [here](#) and find the "Write a review" tab on the right hand side under Northstar Electrical Services Inc.

You may need to create a Google account if you don't already have one.

We appreciate our customers and we want to know how we can improve our services. Please let us know with these reviews!

The winner will be drawn for January's 2015 newsletter!
